The Don Nabity Fund is supported by private donations and fund-raising events sponsored by PIIAC's Emerging Leaders Committee. These events afford excellent opportunities for young professionals to network with and learn from some of the most successful agency personnel from around the country. Programs geared specifically for young professionals and those new to the business are offered throughout the events.

Don Nabity was the Executive Vice President for Independent Insurance Agents of Colorado for many years, and retired as EVP Emeritus around 1981. As EVP, Nabity started one of the first young agents committees in the country. Don Nabity was an outspoken advocate and supporter for young people entering the insurance industry decades ago. In 1998, then PIIAC president, Joan Haddock of Haddock Insurance announced the Don Nabity Scholarship in his name. Joan and Ray Haddock were instrumental in leading other industry professionals to help fund scholarships from the very beginning. Today scholarships are funded through private donations and special events such as the annual Don Nabity golf tournament.
